

LINCOLN/LANCASTER COUNTY PLANNING STAFF REPORT

for August 16, 2006 PLANNING COMMISSION MEETING

This is a combined staff report for related items. This report contains a single background and analysis section for all items.

PROJECT #: Annexation #06013 - Irongate Estates
Change of Zone #06047

PROPOSAL: Annex approximately .4 of an acre of land and change the zoning from AG to R-3.

LOCATION: Northeast of the intersection of Old Cheney Road and South 96th Place.

LAND AREA: Approximately 18,200 square feet.

CONCLUSION: This proposed annexation is voluntary and at the request of the property owner, and is simply to annex and zone land being added to existing lots. These requests comply with the Annexation Policy and Land Use Plan of the Comprehensive Plan.

<u>RECOMMENDATION:</u>	Approval
-------------------------------	----------

GENERAL INFORMATION:

LEGAL DESCRIPTION: See the attached legal description to be used for both Annexation #06013 and Change of Zone #06047.

EXISTING ZONING: AG Agriculture

PROPOSED ZONING: R-3 Residential

SURROUNDING LAND USE AND ZONING:

EXISTING LAND USE: Open space associated with HiMark Golf Course.

COMPREHENSIVE PLAN SPECIFICATIONS:

The Land Use Plan identifies this area as Urban Residential. (F 25)

The proposed annexation is within the City's Future Service Limit. (F 27)

The Comprehensive Plan's Annexation Policy is found on pages F-154 and F-155 of the 2025 Comprehensive Plan. Some relevant excerpts are as follows:

The provision of municipal services shall coincide with the jurisdictional boundaries of the City – in short, it is not the intent of the City of Lincoln to extend utility services (most notably, but not necessarily limited to, water and sanitary water services) beyond the corporate limits of the City. (F 154)

The extension of water and sanitary sewer services shall be predicated upon annexation of the area by the City. City annexation shall occur before any property is provided with water, sanitary sewer, or other potential City services. (F 154)

Land which is remote or otherwise removed from the limits of the City of Lincoln will not be annexed; land which is contiguous to the City and generally urban in character may be annexed; and land which is engulfed by the City should be annexed. (F 154)

Annexation generally implies the opportunity to access all City services. Voluntary annexation agreements may limit or otherwise outline the phasing, timing or installation of utility services (e.g., water, sanitary sewer), and may include specific or general plans for the private financing of improvements to the infrastructure supporting or contributing to the land uses in the annexed area. (F 154)

Annexation to facilitate the installation of improvements and/or possible assessment districts is appropriate if it is consistent with the annexation policies of the Plan. (F 155)

HISTORY:

July 7, 2000 - The final plat of Irongate Estates Addition was approved.

May 6, 1998 - The HiMark Addition Preliminary Plat #98006, Change of Zone #3125, and Special Permit #1423B for HiMark CUP were approved.

ASSOCIATED REQUEST:

FPPL #06022 Irongate Estates 3rd Addition.

ANALYSIS:

1. The final plat of Irongate Estates 3rd Addition was submitted on March 15, 2006. The plat proposes a minor reconfiguration of six lots adjacent to the HiMark Golf Course by expanding the lots to include a portion of the adjacent outlot where the golf course is located.
2. The majority of the open space associated with the HiMark Golf Course is in an outlot that is zoned AG and has not been annexed into the City. The adjacent residential zoning is R-3. The staff review of the Irongate Estates 3rd Addition noted that the final

plat could not be approved until those portions of the outlot being combined with the residential lots were annexed and re-zoned.

3. City services to serve these properties are available in the adjacent streets.
4. A final plat for property such as this, which is contiguous to the city limits, would normally result in the automatic annexation of the area. However, state statute precludes automatic annexation whenever a portion of the plat allows a residential density of not more than one dwelling unit per acre. Since portions of HiMark Estates contain AG zoning, which requires 20 acres per dwelling unit, the City Council is required to act on the annexation of any portion of the plat area.
5. All necessary improvements have been addressed as part of the final plat, so no annexation agreement is being requested.

RE: CHANGE OF ZONE FROM 'AG' TO 'R-3'
ANNEXATION

Dear Marvin,

On behalf of seven individual owners, we are requesting a change of zone. Currently, a final plat of Irongate Estates Third Addition has been reviewed by the Planning Department and a change of zone and annexation is required for the additional area being transferred from an existing outlot to several lots. The existing outlot is zoned 'AG' and the existing lots area zoned 'R-3'. We are requesting that the area being transferred to the existing lots be zoned 'R-3' and also requesting annexation of the same area.

Please feel free to contact me if you have any further questions or comments.

Sincerely,

Marcia L. Kinning
